DETAILED ACTION

Allowable Subject Matter

1. Claims 11-20 are allowed over the prior art.
1. The following is an examiner's statement of reasons for allowance: regarding claim 11, the reason for the allowance of the claim was established in the Final Office action mailed on Dec. 16, 2004 where the examiner states: "in the examiner's opinion, it would not have been obvious to a person of ordinary skill in the art to determine a chemical composition of each of at least two defects on a semiconductor wafer of the prior art since the prior art only determine the size and location of any defects. Since claims 12-20 depend from claim 11, they are also allowable."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jermele M. Hollington whose telephone number is (571) 272-1960. The examiner can normally be reached on M-F (9:00-4:30 EST) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nestor Ramirez can be reached on (517) 272-2034. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
